## **2013 Lower Entiat RM 2.6-3.5 Material Procurement/Hauling Contract**

Dear Contractor:

The Yakama Nation's Upper Columbia Habitat Restoration Project is requesting bids for a **Material Procurement/Hauling Contract** to be contracted for purchasing, hauling and staging of materials that will be used on the Entiat River prior to construction in the summer of 2014. The materials are to be used for a fish habitat enhancement project being conducted by the Yakama Nation (YN) during this timeframe. This contract will involve all work elements and material specifications found in the electronic bid sheet, budget (**Exhibit B**), Payment Schedule (**Exhibit C**) and Project Plans/Material Staging Area are in (**Exhibit D**) located on the YN Fisheries website. Instructions for accessing the YN Fisheries website are included in this cover letter.

To be eligible for an award of this contract you must already be on the YN Approved Contractor List for Fish Habitat Enhancement Projects. Details regarding the specificities for this contract can be found on the YN Fisheries website at:

<http://yakamafish-nsn.gov/restore/projects/contractors-bid-materials-lower-entiat-rm-26-35-habitat-enhancement-project>.

From the YN Fisheries website portal you will be able to access bid packet documents as well as instructions for submitting the required bid materials. All bids must be in line item format, downloaded off the website, filled out completely and mailed to the address listed below. Prices need to be good for at least six months. The work under this contract is expected to occur sometime during the fall of 2013. The manager for this contract is YN Fisheries Habitat Biologist Chris Clemons and alternate contact YN Fisheries Habitat Biologist Matt Wilberding at 509-423-7615 and 509-423-7614 respectively.

By the close of business on Monday September 30<sup>th</sup>, each contractor must have completed and submitted a signed and complete bid packet as well as other required materials to:

**Yakama Nation**
